HALL OF TREES

This year the Hall of Trees will be held at Sacred Heart Church on Dec 1-2.

You may choose to decorate a 7' tree, a 4' tree, or a wreath. The 7' trees will be decorated at the Hall on November 30th. The 4' and wreaths may be decorated at the Hall on the 30th or may be decorated at home and brought to the Hall / set up on the 30th.

We will have a voting jar displayed near each tree. Each decorator may choose a charity to benefit from the money in their tree's voting jar. The public may "vote" for their favorite tree by placing money in the jar of that tree. The tree with the most "votes" will win the Viewer's Choice Award. The money in each jar will be donated to your designated charity. Please choose a charity that is a legitimate non-profit organization.

As usual, we will also be having a silent auction for the trees. The highest bidder on each tree will get to take the tree home. The money from the silent auction will go to the VACC for the purchase of next year's trees for the Hall of Trees.

Questions may be directed to Joan or LuAnn at FNB 965-3344. Please return this form to Joan or LuAnn @ FNB Virden or Georgene Jones by November 1. Trees will be available on a first come first serve basis, so let us know soon that you want a tree or wreath to decorate.

Thank you for considering being a part of the Hall of Trees this year! We hope you will help us to make it a success!
